

Special Park Committee Meeting  
Fire Station, November 3, 2003, 7:00 pm

7 people attended.

1 agenda item only: Banyan (Ficus Tree).

The purpose of the meeting was to act on a request by the Board to present possible options that would be appropriate for the community to honor the memory of Gil Ramirez.

The meeting was open to any and all possibilities. The committee felt that the following offered the best potential for everyone in the community to make a contribution and be able to show their respects.

- On a (To Be Announced) weekend, ask for volunteers to clear the area between the playground, westward to the Ramirez home, and then North to under the Banyan (Ficus) Tree.
- Set of a method to collect donations for a bench to be placed under the Banyan (Ficus) Tree. The bench need not be in keeping with the current benches, and it was requested that a “cozier” bench be selected, one that would weather well, and be securely installed (cement base),
- and, that a plaque be donated and installed on the bench.
