

Presidents update September 2009

The tree's along Pheasant Way have been thinned out in prep of the hurricane season. Park repairs have been completed with the addition of two new bounce rides (which are popular with some of our adults) a bench and garbage can. A Gumbo Limbo tree has been planted. Thank you Susan Casamento for donating it.

The Pheasant Walk picnic will be held on 11/1/09. To donate food or to volunteer, call Joan Petraitis at 561-994-8466

Gary Schroepfer requested that he again operate channel 63. The Board has acceded to his request. I wish to thank Frank Yan for keeping channel 63 up and running for the past seventeen months.

We are continuing to investigate options for cable service to the community. At this time there has been no decision made on cable service.

At the Sept. board meeting to be held on 9/16/09 at 7:30 PM, there will be a presentation by AT&T of their U-Verse system for cable TV.

For our neighbors that have gone to the attorney for collection due to lack of payment for the annual or cable bill, please be advised that you can enter into a payment plan thru the attorney or pay in full.

As the lien against you runs out it will be renewed with the cost being borne by yourself.

Please do yourself and Pheasant Walk a favor and pay what is owed.

Regards;
Ed O'Donnell
